2.00 CARAGTHAX RISES!

### THE SARCOPHAGUS

This elaborate stone sarcophagus features a carved relief of a fearsome warrior holding a wickedly-curved, downward facing battle-axe. Words are engraved under the warrior's image in the same archaic language you saw on the standing stones at the top of the barrow-hill. The warrior's image appears many times over. Most of the scenes depict him in glorious battle, while other scenes depict him raising his axe and drinking horn in wild celebration, or standing proudly before a pile of cloven heads or a field of crucified enemies. A final scene depicts the warrior being carried up a hill by a dozen robed men.

Many more words are engraved into the four sides of the sarcophagus - lines upon lines of poems, runes, and other writing - though these are in a stranger, more fiendish-looking script.

Stone Sarcophagus Lid: hardness 10; hit points 100; DC 28 Str check to lift and remove the stone lid.

### INSCRIPTIONS

A successful DC 18 Knowledge (history) check enables a PC to decipher the script warrior's image. If the PCs deciphered the standing stones at the top of the barrow-hill, they can decipher the words on the sarcophagus. The words read:

Here lies Caragthax the Reaver, Slayer of the Abyssal. He was a great warrior and a great leader. He was a great warrior and a great leader. He was a great warrior and a great leader.

The inscriptions along the side of the sarcophagus are in the Abyssal script. They may be read by a Linguistics check, or a DC 15 Linguistics check, or a DC 15 Linguistics check.

---

Good value for unlock the sound four and costumes. It's not bad but not great either. There are many good ideas like team building, but they were not played out very well. Characters are two-dimensional and lacks depth. You could almost guess what a certain person would say or do in a certain situation. Their "big secrets" does nothing to make them more interesting or attractive. And the most important thing: story just gets blander and blander after each chapter.. better then goat sim by far. Kakaya-ta chren'. Great route, testing scenarios, have as yet not completed them all. Steam era at it best. You will enjoy the free roam scenarios.. \*\*This is a temporary review\*\* August 10, 2018

Currently, I am unable to run Quick Drive on this route. The game actually freezes upon loading, crashing, and causing me to exit altogether. I am afraid to try career scenarios. I am glad I bought this on sale because I liked this route while it worked. I will update this review if/when it is fixed. Very disappointed in DTG. This is the answer to, "What if GalCon Fusion was turn-based?" I like it, because I'm an old turn-based kind-of-guy. It's not terribly deep gameplay, but if you want a quick diversion that doesn't require a huge commitment, this is nice.

---

ENG:

I can't trust anymore U-Play Online company because, they never update their games & still this game not providing almost any features that i looking for.

I can't recommend the product.

FIN:

Min en voi en luottaa U-Play Online yritykseen koska he eivät koskaan päivitä peliä ja ei vielä tarjoa ominaisuuksia joita haluan.

En voi suositella tuotetta.. Game hangs. Unplayable.. The BEST computer hardware training program ever.

My GTX760 evolve to GTX960 in 2 years and then evolve to GTX1060 in the next 2 years. Currently, I am training it to RTX2060!

(~SARCASM~). I do not believe that there is enough content in this game to justify the price they are charging for it.. Beautiful game, it provides the perfect experience! Nice graphics and audio, but sometimes really hard to play.

i would like to see more levels soon.. this should be game of the year for vr flight games. I HAVE THIS DLC IS COOOL.

General Rating: 8/10

In Genre Rating: 9/10

Very interesting game with plenty of customization. You get to play in any city you want and yes, that means small towns too. I love the concept and the DLC is pretty reasonable. Not needed to have fun but expands the game.. A great game, 100% recommended although I would like to have a group for the community of this game and have more content. This was a fun little adventure.
